Yes, of course you can use this license. Just include the text of the license in a file called "LICENSE", and make reference to it in a file called "README".

Additional Clause Requested

Fri, 2009-03-13 19:53 — MartinMusatov

As stated the law allows abuses of software. Require a clause that no malicious uses may be entered into with said program conditional of any use.

The problem with a clause

Fri, 2009-07-17 19:38 — nelson

The problem with a clause like that is: who gets to define what is malicious use? What happens if that entity ceases to make those decisions?
